Head Dept. of Zoology

&
Chairman BOS

A 2nd meeting of BOS in Zoology is convened on 9th February 2019, at 10.45am in Biology department (Lab-no - 03).
The following members attended the meeting:

1) DR(MA) P. N. Andeasi	<u>P. N. Andeasi</u> 11/2/19	1) DR B.B. Sharma (Vic nominee & Principal Vaje Kelkar College)	<u>M. B. Sharma</u> 9/2/19
2) Mrs. S. S. Gupta	<u>S. S. Gupta</u> 11/2/19	2) DR Vinay Deshmukh	<u>Vinay Deshmukh</u> 11/2/19
3) Dr(Ms) Bindu Achary	<u>Bindu Achary</u> 11/2/19	3) DR (Ms) J. A. Bhagwat	<u>J. A. Bhagwat</u> 11/2/19
4) Dr(MA) J. A. Bhagwat	<u>J. A. Bhagwat</u> 11/2/19	4) DR (Ms) Deepthi Sahastrabuddhe (Assistant Manager - Cipla)	<u>Deepthi Sahastrabuddhe</u> 16/02/19
5) Dr. G.M. Joshi - (ON CL)		5) DR (Ms) Namita Mukherjee Assistant Prof D.Y. Patil Deemed University	<u>Namita Mukherjee</u> 16/02/19
6. Mr. Deepak Poojary	<u>Deepak Poojary</u>	6) Mrs. Anju Singh (Business Development Manager) Piramal Health Care - Alumini	<u>Anju Singh</u> 16/02/19
7. Ms. S V. Singh	<u>S. V. Singh</u>		
8. Mr. B. Mishra.	<u>B. Mishra</u>		

The meeting of BOS was mainly convened to update the members about all the suggestions inflicted implemented & incorporated (during the 1st BOS meeting suggestions).

- The meeting started with a word of appreciation from our elite BOS members for the incorporation of all the suggestions during the 1st meeting.
- During the 2nd meeting all the BOS members unanimously suggested that there should be the introduction of internship at M.Sc - part II (Sem IV) which is ^{the} requirement of the day for

their future career. Internship should be done from institutes of repute like BARC, NIRRH, Haffkins, NIO, CMFRI etc, for which PG program be planned accordingly well in advance. The internship work also be submitted in the form of dissertation or research project. If a student/s not interested in undertaking research should work in industry as an alternate option & submit a report of the work undertaken in place of dissertation. Internal marking for dissertation/report presentation should be done in the presence of external examiner.

In this regard contemplation was also regarding institutes charging huge fees from students during internship, for which suggestion received was such institutes be opted for that charge subsidised fees/ offer internship free of cost, or those giving stipend be preferred.

- Discussion was also regarding skill development in Applied sciences & the suggestion received was to start with 'Computation Biology' & gradually switch over to Biostatistics.
- Regarding short term course / value added course for which the duration is 15 hrs minimum, DR B.B. Sharma put across a tieup with Vaze Kelkar College regarding Sericulture. Some of the value added courses suggested by DR Vinay Deshmukh were —
 - 1) Tide measurements done by NIO
 - 2) Workshop on Benthos & Planktology
 - 3) Taxonomic studies at BNHS.for which credits can be assigned to students.
- BOS members were of the opinion for continuing dissection at Tr.Y. level atleast of dead fishes captured for commercial purpose/ organisms of pest like cockroach. They suggested that one of the faculty should be in-charge of studying the guidelines & regulations of UGC in this regard.

Also they should communicate with UGC, Maharashtra Biodiversity Board & Ethical committee with letter regarding the same drafted from the Principal. Suggestion was also received that dissections be demonstrated & students be asked to perform the same by exposing either one/two systems enhancing their skill in dissections.

- Suggestions were also received for internals of HG course. as follows :—

- All UA classes should have group mentors (teacher-in-charge)
- F.Y.B.Sc students be given a topic from syllabus as assignment for 2nd internal.
- S.Y.B.Sc students be given topics in groups for presentation (2nd internal)
- T.Y.B.Sc assignments to be given to improve the writing skills.

With all the above mentioned suggestions, deliberations & requests if any the 2nd BOS meeting of Dept. of Zoology ended at 1.30 pm on a happy note, followed by lunch & a word of promise that the department will strive to effectively incorporate maximum(rather all) suggestions from the next academic year.

Besari

Head, Dept. of Zoology

&
Chairman BOS.

1st meeting of BOS for the academic year 2019-20
is convened on 6th July 2019 at 10.30 am in the conference
room.

Following members attended the meeting:-

1) DR (Mrs) P. N. Sandesai
6/7/19

2) Mrs S. S. Gupta
6/7/19

3) DR (Ms) Bindu Acharya
6/7/19

4) DR (Mrs) J. A. Bhagwat
6/7/19

5) DR (Mrs) G. M. Joshi
6/7/19

6) MR Deepak Poojari
6/7/19

7) MA S. V. Singh
6/7/19

8) Mr Bhagirath Mishra
6/7/19

1) DR B. B. Sharma *Mans*

2) DR Vinay Deshmukh *Dharm*

3) DR Sashi Menon

4) DR (Mrs) D. Sastryabudde
Deekshita

5) DR (Mrs) Namita Mukherjee *Namita*

6) Mrs. Anju Singh. *(A)* *Anju Singh*

The meeting of BOS is mainly convened to discuss minor additions done in F.Y.B.Sc syllabus while S.Y. & T.Y. B.Sc syllabi as well as M.Sc part I syllabus (Sem I to VI of UG & Sem I to IV of PG)

F.Y. B.Sc paper I (Sem I & II) minor additions of topics are done in unit I where certain wonders are introduced at phylum level to fascinate & also develop interest of the student in the subject — like regeneration, pearl formation, etc. parental care in amphibians, adaptive radiations, bird migration etc. The above additions were accepted by the BOS members.

S.Y. B.Sc syllabus is changed (Sem III & IV) wherein either the units are reshuffled or are newly added as per the suggestions
