MINUTES OF THE MEETING:

1. For Value added courses, students can be given choices of subjects like statistical analytics data, business analytics etc. (Course List to be sent)
2. Suggestion to introduce the Project Report / Black Book on the basis of their internship.
3. Keep the black book / project report more practical.
4. Ask students to review articles and research papers rather than question answers and analysis of papers.
5. Including case studies in the lectures as only a single chapter / single unit is not enough.
6. Data Analytics can give more practical exposure

7. Workshops can be arranged for reading research papers, explaining the importance of research paper, literature review, data analytics, Interview with the financial analysts, brokers
8. Students mentoring programme and alumni sessions can be conducted
9. For Real Estate Students, department should organize visits to solicitors, legal advisors for practical exposure
10. For better placements, basics need to be clear hence newspaper reading like Economic Times must be made compulsory. Sessions can be arranged for newspaper discussion.
11. As per the new education policy, discussion regarding SEBI and BSE Coursework and can conduct examinations based on it.
12. Meeting ended with a vote of thanks.
