2. Reframe of Statistics papers in semester I and semester II due to change in curriculum and credit framework for undergraduate programmes in NEP.
3. Suggestions for generic elective course for FYBSC .
4. Feedback analysis.
5. Any other matter with the permission of the chair.

Following are the minutes of the meeting:

1. All the members of BOS were welcomed by chairperson and minutes of the meeting held on 20th August, 2022 were read and confirmed.
2. Chairman explained in brief about New Education Policy (NEP) 2020 with the help of grid for Semester I and Semester II. She presented reframe of Statistics papers in semester I and semester II in FYBSC due to change in curriculum and credit framework for undergraduate Programme in NEP. It was proposed to combine syllabus of Descriptive Statistics from earlier semester I and semester II with some minor changes and to form a syllabus of paper in semester I. Ms. Sadhana questioned about syllabus of Statistical Methods from semester I. Chairperson cleared doubt by explaining that syllabus of Statistical Methods from earlier semester I and semester II is going to be added in semester II. Ms. Pratima Parab asked about graphs and Diagrams, Chairperson explained that, since it has already been taught at school level and also at 11th and 12th standard, Graphs and Diagrams can be revised in bridge course. Dr. Sucheta Ketkar also suggested to change the title of unit 4 in the paper Statistical Methods.
3. During the discussion of generic elective course for FYBSC, Dr. Sucheta inquired about number of generic papers to be made. Chairperson clarified that totally 2 papers to be prepared by each department in each semester as generic papers. Dr. Leena Kulkarni suggested to introduce programming whereas Sadhana Kannan madam said that Biology can be considered as one of the electives and Bioinformatics, genes, chromosomes can be added in it. Sucheta madam suggested to wait for clear guideline from university. She also pointed that a student can select Generic paper from other institute as well. Pratima suggested to blend Statistics with Economics.
4. Feedback taken on syllabus from stakeholders was shared by the chairperson.
5. The meeting ended with a vote of thanks to the Chair.

Mrs. Chhaya Pinge

Head, Department of Statistics
