 7. Dr. Sucheta Ketkar appreciated the efforts taken by the department in updating the syllabus and also for the actions taken based on suggestions given by stakeholders.

Suggestions given by members:

- (1) Ms. Sadhana Kannan suggested that if students from MSc are interested in doing PhD then try to provide an internship to those students in the research field and motivate them to write research proposals. Also try to know which students are interested in research work after MSc and guide them accordingly.
- 2) Ms. Sadhna Kannan also suggested having a tie up with different industries will help to provide internship to MSc students.
- 3) Ms. Pooja suggested that some internal projects can be given to students which will be considered as Internship because getting internship to all students is sometimes quite difficult.

Thank you.

Yours Sincerely,

Ms. Chhaya Pinge

Associate Professor and Head, Department of Statistics
