# RAMNIRANJAN JHUNJHUNWALA COLLEGE

## COLLEGE CALENDAR 2023-24 ODD SEMESTER

We would like to start a new academic year 2023-2024 on a positive note that in this second academic year post Covid-19 pandemic, through the activities of Teaching, Learning, Evaluation and Co-curricular and Extra-curricular activities happening on the campus of RJC, there shall be reconnect between all the stakeholders of the institution. In addition, an implementation of NEP2020 as an autonomous college will bring for the students the joy of learning by doing and will set the ball on the roll for them to expand their horizons of knowledge, skills and realizing their own potential. The plethora of community service activities to which R J students get exposed to will help in bringing societal harmony and will inculcate in them values of compassion, empathy, concern and respect for each other. We want R J College students to excel well in the classrooms, beyond the classrooms and further beyond the campus too. We want them not just to grow with time but to evolve with it and contribute to the process of Nation building.
