THE PREAMBLE

Why BCOM MS?

Studying management gives you all the skills you need to deal with employees in a professional and an organized manner. It will also give you the knowledge and confidence you need to direct teams successfully. However, it's important to remember that before you can manage other people, you need to know how to manage yourself. Completing a management degree will help you to learn a range of essential skills such as self-discipline, and organization which you'll also be able to use when managing others in the future.

Why BCOM MS at RJ College?

The B.COMMS department was introduced in the year 1999 and since its inception there is no turning back with lots of innovative methods in grooming the future managers and entrepreneurs. Our strength is our teaching faculties comprising both core and full time faculties with good industry exposure. We not only train the learners in theoretical knowledge but also give them a wide industrial exposure by motivating the students to take up internships and arranging industrial visits for all the three years.

To be more employable and saleable in the job market we take up initiatives to develop the language proficiency of the learners. Students are motivated to participate in various intra collegiate and intercollegiate competitions. Opportunities are provided to make projects and presentations. Emphasis is on following the case study pedagogy for developing the managerial and leadership skills.

The Rotaract Club of RJ College is managed by the B.COMMS department which contributes towards the Personality Development of the students. It also gives them a wide international exposure and extensive networking. The club is also instrumental in making the students more humanitarian, ethical and a good human being through community services.

Our Curriculum, Your Strength

The curriculum is designed in such a way that it helps the students to develop cognizance of the importance of management principles. The curriculum takes the learners not only through the journey of management and leadership functions but also focuses on their moral and ethical development.

The curriculum would evolve the learner to be more innovative and creative in the field of management. It would also give an opportunity to the learners to explore the entrepreneurial avenues.

Studying management gives you all the skills you need to deal with employees in a professional and an organized manner. It will also give you the knowledge and confidence you need to direct teams successfully.

However, it's important to remember that before you can manage other people, you need to know how to manage yourself. Completing a management degree will help you to learn a range of essential skills such as self-discipline, and organization which you'll also be able to use when managing others in the future.
