THE PREAMBLE

Why BAF?

A three-year undergraduate program in Accounting and Finance offers a comprehensive package that equips students with essential skills for success in the dynamic world of business. This program provides a solid foundation in financial principles, management accounting, and economic theory, fostering a deep understanding of the financial landscape. Students gain proficiency in financial accounting, financial analysis, data analysis, taxation, financial management, and financial reporting, preparing them for roles in diverse industries.

Moreover, a degree in Accounting and Finance enhances critical thinking, problem-solving, and quantitative skills, which are highly valued in the industry. The program also incorporates real-world applications, ensuring graduates are well-prepared for the demands of the professional environment. Additionally, the qualification opens doors to various career paths, including accountancy, financial management, taxation, and consultancy, offering a versatile and in-demand skill set that contributes to personal and professional success.

Why BAF at R J College?

The Accounting and Finance department at RJ College started in 2019-2020, offering students a well-rounded education. Apart from regular courses, students are encouraged to take extra credit courses related to their subjects. These additional value-added courses are designed to develop students' overall skills. With the aim of providing experiential learning, a minimum 3-month internship during the undergraduate program is encouraged to provide practical exposure and competitive edge among our students. The department organizes a Fest to enhance leadership and management skills. Industry experts are invited to talk about current
