Start as Global CA (**ACCA**) at **22 years**

Specialized **Degree in International Accounting (IFRS)**

Gain Recognition **across 179 Countries**

Classroom and Online mode

Ramniranjan Jhunjhunwala College

About Ramniranjan Jhunjhunwala College

Hindi Vidya Prachar Samiti's Ramniranjan Jhunjhunwala College of Arts, Science and Commerce with an Empowered Autonomous Status was established in 1963 by a visionary Postman Shri Nandkishore Singh Jairmaji to provide quality education to the youth. In a span of six decades the college has scaled several milestones in keeping with the rapidly changing needs of society. In the twentieth century Institutional boundaries of states, countries have vanished, and education has become global.

Ramniranjan Jhunjhunwala College with a beginning as a conventional Higher educational Institution soon realized that students must have access to Professional education and must be trained to have the employability skills which the industries are looking for. In the last two decades College has introduced several programs to provide students with greater opportunity for selecting the Program of their choice.

Programs offering Courses in Botany, Zoology, Chemistry, Physics, Statistics, Mathematics have been restructured with inclusion of thrust and emerging areas for research and Innovation. Professional courses in management studies, Accounting and Finance, Banking and Insurance, Data Analytics and Management, Biotechnology, Information Technology, Computer Science, Data Science and Artificial Intelligence, Medical Laboratory Technology, Medical Imaging Technology, VFX and Animation, Mass Media, Advertising, Interior Design, Fashion Design, Commerce, Accountancy, have provided students a bouquet of Programs to choose from.

To appreciate various aspects of human culture, creativity, expression, and thoughts, there are nine programs in Humanities and Liberal Arts which are Hindi, English, Marathi Literature, Sociology, Political Science, History, Economics, Philosophy & Psychology.
